

Process compliance document - EMP045

Author: Casey Lee | Role: Senior Engineer | Dept: Procurement

Location: Hsinchu | Date: 2025-02-17

This document describes the procurement process compliance requirements for vendor management. All new vendors must complete the supplier onboarding questionnaire and pass the ESG risk assessment. Contracts above \$100K require legal review before signature. Preferred vendor lists are reviewed semi-annually by the category management team.
